

Dear Dr. MUHAMED SARIC

The XVII World Congress of Echocardiography, XXIV Brazilian Congress of Echocardiography and 2nd Congress of the Cardiovascular Imaging Department of the Brazilian Society of Cardiology were a huge success. We had more than 50 sessions, with more than 250 speakers and 1950 attendants. However, none of this would have happened without your participation. Hence, we would like to express our deepest gratitude for your efforts to come to our meeting and for being one of the stars that brightened it. We hope you have enjoyed your stay here in São Paulo with us and we look forward seeing you in the future.

Warmest regards,

Wilson Mathias Junior, MD, FACC, FAHA
