

## 30h Annual State-of-the-Art: Echo Southwest Course

February 17 – 21, 2017 – Tucson, AZ

### Audience Comments for presenter Muhamed Saric

- Excellent presenter with very enlightening and enjoyable presentations
- Per comments above, he speaks too quickly apparently in an effort to cover what seems to me to be too much material in the allotted time
- Love his presentations and how he provides historical references. Keep him coming. Presents a lot of information in a short period of time - great!
- One the best speakers/teachers I have listened to. Bring him back
- He speaks very fast and was a little difficult to follow with the accent, otherwise excellent.
- The best. Needs to give more lectures. He is so smart. He is amazing.
- I would love to know how fast he can talk in Serbo-Croatian, he might be drowned out by sonic booms, but he is a wonderful
- Excellent!
- I like that he only has an 8th grade educational threshold for discussions.... LOL :)
- Very interesting. Loved the history lessons too.
- Top drawer
- Excellent slide format. He clearly worked on his talk
- Excellent lectures
- He was my second favorite speaker.
- A little history is nice
- Slow down. Allow time for questions.
- Excellent material, but he needs to slow down.
- Best speaker. Drives home important points like nobody has done before. Please bring him again. Please assign more topics to
- Superb and engaging speaker, fun to listen to and learn
- Awesome!!!
- Funny
- Incredible good
- Really like his showing a little bit of the history, entertaining and informative!
- Needs to be more interactive, more cases
- Loved all his lectures and the trivia
- Great thinker and medical historian
- Straightforward and complete presentations
- Incredible depth of knowledge, clearly. Your presentation sometimes comes across as pressured or intense--can I just say it
