LETTER OF ORGANIZATION COMMITTEE

Imam veliku čast i zadovoljstvo pozvati Vas na 7. Kongres Udruženja kardiologa i angiologa Bosne i Hercegovine i 3. Kongres Udruženja kardioloških sestara i tehničara sa međunarodnim učešćem koji će se održati u Mostaru, Bosna i Hercegovina, od 26.-28.maja 2016. godine.

7. Kongres Udruženja kardiologa i angiologa BiH je najveći susret kardiologa BiH koji se održava svake treće godine od 1998. Na njemu će se prezentirati najveća dostignuća iz oblasti kardiologije i angiologije u svijetu te iskustva u BiH.

Dobro pripremljen naučni program uz učešće najvećih eksperata iz oblasti kardiologije i kardiohirurgije u Evropi i svijetu, kao i naših eksperata u BiH, će omogućiti dobijanje najnovijih saznanja iz kardiovaskularne medicine.

Kongres će se održati u Mostaru, gradu koji je 2005. uvršten u svjetsku kulturnu baštinu UNESCO-a. Sa obnovljenim starim gradom i Starim mostom postao je glavna turistička destinacija u BiH. Smješten je na ušću rijeke Radobolje u Neretvu sa mediteranskom klimom, sa putnim, željezničkim i avionskim vezama koje omogućuju latak dolazak.

Vjerujem da ćete sa kongresa ponijeti najnovija saznanja iz kardiološke prakse te uživati tokom boravka u našem gradu.

It is my great honor and pleasure to invite you to the 7th Congress of Cardiologists and Angiologists of Bosnia and Herzegovina and 3th Congress of Association of Cardiology Nurses of Bosnia and Herzegovina with international participation, which will be held in Mostar from May 26-28, 2016.

The 7th Congress is the largest meeting of B&H cardiologists that takes place every third year since 1998. It is a place to show biggest world achievements in cardiology and angiology as well as B&H experience on the matter.

Carefully prepared scientific programme with participation of the experts in cardiology and cardiac surgery in Europe and the World and our experts in Bosnia and Herzegovina will give the new information in cardiovascular medicine. Congress will be organized in Mostar, the town that has been included into UNESCO heritage with its Old Bridge and Old Town. It is a very popular touristic destination in Bosnia and Herzegovina. It is situated on the estuary of the rivers Neretva

and Radobolja, with the Mediterranean climate. Quality roads, as well as train and airplane link makes a trip to it a pure joy.

I believe that the 7th Congress of cardiologists and angiologists of Bosnia and Herzegovina in 2016 will be great success not only on the scientific and professional level but also socially with your visit to Mostar and region of Herzegovina.
