

Echocardiography and Structural Heart Symposium, 39th Annual

Miami, FL US, October 27, 2022 to October 28, 2022

Overview

Live Symposium | 13.25 Cat. 1

October 27-28, 2022 | Thursday-Friday

Hilton Miami Airport Blue Lagoon, Miami, Florida

[Become an Exhibitor >](#)

As valvular heart disease and structural heart treatments become more integral within cardiology, providers will rely on the diagnosis and treatment of disease using transcatheter/nonsurgical therapy.

The **39th Annual Echocardiography and Structural Heart Symposium** – formerly known as the Echocardiography Symposium – will include successful topics from years past that focus on current guidelines for the evaluation of core topics within echocardiography, such as cardiac structure, cardiac function and hemodynamics assessment.

In addition, the internationally renowned faculty experts will address the latest developments, cutting-edge technologies and future directions of structural heart disease assessment, treatment options and advanced cardiac imaging.

These discussions will include advanced echocardiography imaging techniques (3-D, Strain, CT and TEE) and valve repair approaches (TAVR, mitral valve repair devices, left atrial appendage occlusion devices, paravalvular closure and alcohol septal ablation). Treatment focus will be on aortic, mitral and tricuspid valves and interatrial septum valvular heart disease, as well as specific patient populations, including those with cancer, atrial fibrillation, valvular heart disease and hypertrophic cardiomyopathy. Current controversies speak to indications and contraindications for various diagnostic and treatment approaches.

This year's expanded focus will be of special interest to anesthesiologists, cardiologists, ED physicians, critical care physicians, sonographers and medical professionals interested in echocardiography and the newest advances in diagnosis and treatment of structural heart disease.

Learning Objectives

Upon completion of this symposium, participants should be better able to:

- Utilize a multidisciplinary structural heart team approach to diagnose and treat structural heart disease.
- Recognize the echocardiographic presentation and application of advanced imaging in patients with valvular heart disease and atrial fibrillation, including hypertrophic cardiomyopathy.
- Demonstrate the utility of multimodality imaging in hypertrophic cardiomyopathy and workup for left atrial appendage and in valvular heart disease.
- Assess and apply a comprehensive approach when managing the aortic, mitral and tricuspid valves and the interatrial septum, utilizing basic and advanced imaging techniques to identify and guide the treatment of valvular heart disease.
- Utilize current evidence-based clinical data in TAVR, TMVR, MitraClip, LAA occluder devices, paravalvular leak and EtOH septal ablation to optimize treatment.
- Demonstrate the management and utility of transesophageal and 3-D imaging in the cardiac catheterization lab to guide structural heart procedures.
- Further define the tricuspid valve anatomy and function and describe the implications for treatment of tricuspid regurgitation using transcatheter therapy.
- Avoid common pitfalls in imaging patients in cardio-oncology, hypertrophic cardiomyopathy and structural heart disease.

- Define protocols that can assess valvular heart disease after intervention.

Who Should Attend

Cardiologists, vascular surgeons, interventional radiologists, anesthesiologists, emergency medicine physicians, critical care physicians, echocardiography and noninvasive vascular testing specialists, sonographers, nurses, nurse practitioners, physician assistants, pharmacists, respiratory therapists, and medical professionals interested in echocardiography and the newest advances in diagnosis and treatment of structural heart disease.

Registration and Fees

Event date: Thursday, October 27, 2022 - Friday, October 28, 2022

Attendee Type	Registration Fee
Physicians	\$425*
Baptist Health Employees	\$110
Other	\$225***
Physicians-in-training/Fellows	\$55**
Students	\$55

*International physicians and physician groups of 3 or more are eligible for a 20% discount.

**Registration must be accompanied by a letter from the Fellowship/Residency Director.

*** Non-physician groups of 3 or more are eligible for a 10% discount

Program

Agenda

Day 1

Day 2

Friday, October 28 - 6.75 Cat. 1 Credits

7:30 a.m.	Registration, Continental Breakfast and Visit Exhibits
7:45 a.m.	Welcome and Introductions <i>Elliott Elias, M.D., Damian Chaupin, M.D.</i>
Mitral Valvular Disease Regurgitation and Right Heart Disease <i>Moderator: Elliott Elias, M.D.</i>	
8:00 a.m.	Assessing Mitral Regurgitation <i>Nadira Hamid, M.D.</i>
8:15 a.m.	Imaging for MitraClip and Transcatheter Mitral Valve Replacement (TMVR) <i>Stephen H. Little, M.D.</i>

8:30 a.m.	Is MitraClip for Functional or Primary MR? <i>Maurice Enriquez-Sarano, M.D.</i>
8:45 a.m.	Aortic Regurgitation and Upcoming Transcatheter Treatment <i>Nadira Hamid, M.D.</i>
9:00 a.m.	My Toughest and Most Interesting Cases of TMVR <i>Bernardo Lopez Sanabria, M.D.</i>
9:10 a.m.	An Introduction to TMVR <i>Omar Khalique, M.D.</i>
9:25 a.m.	CT Planning for Mitral Valve Disease <i>Constantino S. Pena, M.D.</i>
9:35 a.m.	Panel Discussion with Question-and-Answer Session Moderator: <i>Elliott Elias, M.D.</i> Faculty: <i>Nadira Hamid, M.D., Stephen H. Little, M.D., Maurice Enriquez-Sarano, M.D., Bernardo Lopez Sanabria, M.D., Omar Khalique, M.D., Constantino S. Pena, M.D.</i>
9:50 a.m.	Break and Visit Exhibits
Tricuspid <i>Moderator: Damian Chaupin, M.D.</i>	
10:05 a.m.	Anatomy and Echo Imaging of Tricuspid Valve <i>Nadira Hamid, M.D.</i>
10:20 a.m.	CT Planning for Tricuspid Valve Interventions <i>Omar Khalique, M.D.</i>

10:35 a.m.	How Do I Evaluate Treat and Think About Transcatheter Treatment for Tricuspid Regurgitation <i>Maurice Enriquez-Sarano, M.D.</i>
10:50 a.m.	My Toughest and Most Interesting Cases of Tricuspid Clip <i>Ramon Quesada, M.D.</i>
11:00 a.m.	TEER for TR and an Update on Transcatheter Therapy and Data for Tricuspid Regurgitation <i>Stephen H. Little, M.D.</i>
11:15 a.m.	An Update on Mental Health and Imaging <i>Orlando Santana</i>
11:25 a.m.	Panel Discussion with Question-and-Answer Session <i>Moderator: Damian Chaupin, M.D.</i> <i>Faculty: Nadira Hamid, M.D., Omar Khalique, M.D., Maurice Enriquez-Sarano, M.D., Ramon Quesada, M.D., Stephen H. Little, M.D., Orlando Santana</i>
11:40 a.m.	Lunch and Visit Exhibits
Advanced Imaging <i>Moderator: Damian Chaupin, M.D.</i>	
12:35 p.m.	Evaluation of Mitral Stenosis <i>Elliot Elias, M.D.</i>
12:45 p.m.	An Interesting Case of Mitral Stenosis: How to Use Strain and Stress to Guide Treatment <i>Bernardo Lopez Sanabria, M.D.</i>
12:55 p.m.	Role of ICE in Transcatheter Therapy <i>Muhamed Saric, M.D., Ph.D.</i>

1:10 p.m.	Diastology: How Can New Technology Assist Us? <i>Partho P. Sengupta, M.D., D.M.</i>
1:25 p.m.	Endocarditis on the Native Valve and Prosthetic Valves and When to Send for Surgery <i>Muhamed Saric, M.D., Ph.D.</i>
1:40 p.m.	When and How to Use 3D/4D Imaging <i>Stephen H. Little, M.D.</i>
1:55 p.m.	Case Presentation: Paravalvular Leak Closure <i>Nish Patel, M.D.</i>
2:10 p.m.	Panel Discussion with Question-and-Answer Session <i>Moderator: Damian Chaupin, M.D.</i> <i>Faculty: Elliot Elias, M.D., Bernardo Lopez Sanabria, M.D., Partho P. Sengupta, M.D., D.M., Stephen H. Little, M.D., Nish Patel, M.D., Lowie Van Assche, M.D.</i>
Back To Basics Rapid-Fire <i>Moderator: Damian Chaupin, M.D.</i>	
2:20 p.m.	Essential TEE Views and How They Relate to the Sonographer <i>Elliott Elias, M.D.</i>
2:35 p.m.	Will Artificial Intelligence Replace the Clinical Echocardiographer? <i>Damian Chaupin, M.D.</i>
2:45 p.m.	Pericardial Effusion or Chamber Quantification <i>Elliott Elias, M.D.</i>
3:00 p.m.	Echo Assessment in the Setting of Pulmonary Emboli

	<i>Partho P. Sengupta, M.D., D.M.</i>
3:15 p.m.	Imaging Post-Transcatheter Intervention: What Do I Look for as the Reader and Sonographer? <i>Elliott Elias, M.D.</i>
3:30 p.m.	Echocardiography and the Heart of an Athlete (Differentiating Adaptation from Pathology) <i>Eli Friedman, M.D.</i>
3:45 p.m.	Panel Discussion with Question-and-Answer Session <i>Moderator: Damian Chaupin, M.D.</i> <i>Faculty: Elliott Elias, M.D., Partho P. Sengupta, M.D., D.M., Eli Friedman, M.D.</i>
3:55 p.m.	Closing Remarks <i>Elliott Elias, M.D., Damian Chaupin, M.D.</i>
4:00 p.m.	Adjourn

Reserve Your Room

The Miami Airport Hilton, just minutes from Miami International Airport, offers convenient access to beaches and attractions. Enjoy the 100-acre natural lake with jogging trail, outdoor pool and tennis and basketball courts. Indulge in spacious guest rooms and suites. This hotel was in the Top 20 of all Hotels in Miami 2015 by US News & World Report. Complimentary airport shuttle bus service is available.

Faculty

Symposium Directors

Elliott J. Elias, M.D., MPH, FACC, FASE
 Cardiologist
 Medical Director of Cardiac and Structural Imaging
 Miami Cardiac & Vascular Institute
 Baptist Health South Florida

Damian F. Chaupin, M.D.
 Cardiologist
 Miami Cardiac & Vascular Institute
 Baptist Health South Florida

Faculty

João L. Cavalcante, M.D., FASE, FACC, FSCCT, FSCMR
 Director, Cardiac MRI and Structural CT Labs
 Minneapolis Heart Institute at Abbott Northwestern
 Hospital
 Director, Cardiovascular Imaging Research Center and
 Core Lab
 Minneapolis Heart Institute Foundation
 Associate Editor, European Heart Journal
 Associate Editor, Journal of Cardiovascular Computed
 Tomography
 Minneapolis, Minnesota

Maurice Enriquez-Sarano, M.D., FACC, FAHA, FESC
 Professor, Senior Research Scientist
 Minneapolis Heart Institute Foundation and the Valve
 Science Center
 Minneapolis, Minnesota

Eli Friedman, M.D.
 Medical Director of Sports Cardiology
 Baptist Health Medical Group Cardiology
 Miami Cardiac & Vascular Institute
 Baptist Health South Florida
 Miami, Florida

Nadira Hamid, M.D.
 Assistant Professor of Medicine
 Assistant Director of Structural Heart Echocardiography
 Columbia University Irving Medical Center
 New York, New York

Socrates V. Kakoulides, M.D.
 Medical Director, Diagnostic Center
 Miami Cardiac & Vascular Institute
 Baptist Health Medical Group

Bernardo Lopez Sanabria, M.D.
 Interventional Cardiologist
 Miami Cardiac & Vascular Institute
 Baptist Health South Florida
 Miami, Florida

Patrick T. O'Gara, M.D.
 Watkins Family Distinguished Chair in Cardiology
 Brigham and Women's Hospital
 Professor of Medicine
 Harvard Medical School
 Boston, Massachusetts

Philippe Pibarot, DMV, Ph.D.
 Head of Cardiology Research
 Institut universitaire de cardiologie et de pneumologie de
 Québec – Université Laval
 Professor, Department of Medicine
 Canada Research Chair in Valvular Heart Diseases
 Université Laval
 Québec City, Quebec

Ramon Quesada, M.D.
 Medical Director, Structural Heart, Complex PCI & Cardiac
 Research
 Miami Cardiac & Vascular Institute
 Baptist Health South Florida
 Miami, Florida

Muhamed Saric, M.D., Ph.D.
 Director, Noninvasive Cardiology & Echo Lab
 Professor of Medicine
 New York University Langone Health
 New York, New York

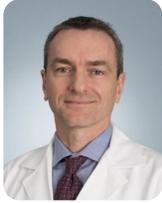

Baptist Health South Florida
Miami, Florida

Omar Khalique, M.D.
Director, Division of Cardiovascular Imaging
Saint Francis Hospital and Catholic Health
Director, Cardiovascular Imaging Research and Education
DeMatteis Cardiovascular Institute
Roslyn, New York

Partho P. Sengupta, M.D., D.M., FACC, FASE
Henry Rutgers Professor of Cardiology
Chief of Cardiovascular Medicine, Robert Wood Johnson
Medical School
Chief of Cardiovascular Service Line, Robert Wood Johnson
University Hospital
New Brunswick, New Jersey

Stephen H. Little, M.D.
President, American Society of Echocardiography
Director, Cardiovascular Fellowship Program
Director of Structural Heart, Houston Methodist Hospital
System
John S. Dunn Chair in Clinical Cardiovascular Research and
Education
Professor of Medicine, Weill Cornell Medical College,
Cornell University
Dept. of Cardiology, Houston Methodist Hospital
Houston, Texas

Disclosures And Resolution Of Conflict Of Interest

Accreditation

Accreditation

Baptist Health South Florida is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Baptist Health has been re-surveyed by the ACCME and awarded Commendation for 6 years as a provider of CME for physicians.

Baptist Health South Florida designates this live activity for a maximum of 13.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been approved for 13.25 credit hours by the Florida Boards of Medicine and Osteopathic Medicine and by the Florida Council of Physician Assistants, CE Broker Provider #50-182. 7 credits for the Thursday session (CE Broker #20-942804) and 6.25 credits for the Friday session (CE Broker #20-942808).

American Registry for Diagnostic Medical Sonography - Sonographers and vascular technologists may use these credits to fulfill their ARDMS requirements. The ARDMS accepts *AMA PRA Category 1 Credits™*.

Nurses and Respiratory Therapists - Approved on a session-by-session basis for a total of 13.0 contact hours by the Florida State Board of Nursing CE Broker Provider #50-182 (7.0 credits for the Thursday session and 6.0 credits for the Friday session).

Pharmacists and Pharmacy Technicians - Approved on a session-by-session basis for a total of 13.25 contact hours by the Florida State Board of Pharmacy, CE Broker Provider #50-182; (7.0 credits for the Thursday session and 6.25 credits for the Friday session).

The **American Academy of Nurse Practitioners Certification Board (AANPCB)** accepts CEs accredited by the ACCME. Individuals are responsible for checking with the AANPCB for further guidelines.

AMA PRA Category 1 Credits™ claimed by physicians attending live events certified and organized in the United States for *AMA PRA Category 1 Credits™* can be claimed through the agreement on mutual recognition of credits between UEMS and AMA, considered as being equal to the European Continuous Medical Education Credits (ECMEC©) granted by the UEMS. One *AMA PRA Category 1 Credit™* is equivalent to one (1) hour of European EACCME Credit (ECMEC©). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Disclaimer

Baptist Health South Florida presents this CME activity for use by healthcare professionals for educational purposes only. Opinions, perspectives and information presented by the faculty represent their ideas and views, and participants should carefully consider all available scientific data before acting on knowledge gained through this activity. Additionally, participants should consult the US Food and Drug Administration (FDA) for approved uses prior to prescribing medications or utilizing medical devices discussed in this activity.

While Baptist Health makes reasonable efforts to ensure that accurate information is presented, no warranty, expressed or implied, is offered. Participants should rely on their own clinical judgment, knowledge and experience before applying information acquired to their professional use.

Available Credit

13.25 AMA PRA Category 1 Credit™

13.25 General certificate of attendance

13.00 Nurse Practitioners

13.00 Florida Board of Nursing

13.25 Florida Board of Pharmacy

13.00 Florida Board of Respiratory Therapy
